REGULATIONS FOR DUMPSTER PERMIT Ordinance 4-2002

1. Dumpster site must be approved by the Chief of Police forty-eight (48) hours before the dumpster is placed.
2. Any permit issued pursuant to this section shall be valid for a period of 48 hours, unless the Borough Manager determines and expressly provides on the face of the permit that the permit shall be valid for such longer or shorter period of time as is in the opinion of the Borough Manager appropriate.
3. Except when being filled, dumpsters must be covered by a lid, tarp, or other device.
4. Dumpster must display two (2) reflective devices on all four (4) corners.
5. Dumpster must be surrounded by orange traffic cones at all times.
6. Dumpster must be surrounded by lighted lanterns of red or amber at periods of darkness.
7. The Borough Manager shall have the authority to extend the period of the dumpster permit upon request of the applicant.
8. The Borough has the right to remove any dumpster in violation of any regulations of this Ordinance.
9. The applicant must pay a non-refundable permit fee in the amount of \$10.

Violations of this Ordinance can result in fines from \$15, plus costs to no more than \$200 plus costs, depending on the section of the Ordinance that has been violated. A complete copy of this Ordinance is available at the Borough Office.
